CHALET DU VALLON

CATERED  *sleeps 8+2*

Chalet Du Vallon is luxury with a view. Sleeping up to nine adults, this luxurious chalet is traditionally alpine in design, spacious and boasts stunning views across Méribel Village and the whole valley. Just a couple of minute's walk from the Golf chairlift, the location of this chalet gives you the perfect combination of peace and tranquility with easy access to lifts, pistes and everything the village has to offer. Du Vallon is perfect for families and groups of friends, with comfortable open plan living and good-sized en suite bedrooms – two of which have their own balconies. We love the views from the balcony of the large living area on the second floor – it's a perfect spot for a hot chocolate or glass of wine after a day on the slopes. Families love the entertainment room, whilst the steam room and the heated boot warmers get everyone's thumbs up.

MÉRIBEL

**WE ARE PROUD TO CALL OURSELVES
MÉRIBEL SPECIALISTS. WE LOVE IT. IT
IS OUR HOME AND IN OUR EYES, THE
BEST LOCATION IN THE 3 VALLEYS.**

Guests who discover Méribel Village return year after year. It really is the perfect base for your stay in The Three Valleys. With unbeatable access to the slopes, a superb ski route home and all amenities close to hand, we're sure you'll agree it's a hidden gem. It has a unique atmosphere and is self-contained with its own mini super-market, bakery and patisserie, restaurants and a great après bar - Lodge du Village, with live bands almost every night. Other perks include the high speed Golf chair lift (never a queue), access to the 3 Valleys epic ski terrain, the easy blue 'Lapin' run into the centre of the Village and regular public bus service (as

well as our driver service). It works well for friends, families and corporate groups alike. We also have a strong network of trusted suppliers and partners that we work with to bring you the very best of Méribel. For the non-skier there is plenty to see and do around Méribel; from scenic walks, swimming, ice-skating, snowshoeing, a ride up and down the mountain to check out the scenic views, sampling the alpine restaurants or just relaxing in a deckchair in the sunshine with a book. In our opinion Méribel Village has something for everyone. Why would you look anywhere else...
